| State Total | 370,000 | 340,000 | 130.0 | 44,200,000 |

¹ In keeping with NASS policy, only those counties and/or districts are published where sufficient reports were received. Counties with less than 500 total planted acres or 300 total harvested acres are combined under *Other Counties*. In some cases a county with more than 500 planted acres is combined with a smaller county to prevent disclosure.
